Flock-A-Friend Fundraiser

How Flocking Works

You can flock a friend for a DONATION of only \$25. Upon receipt of your order form and donation, Friends of the Carlisle Library will secretly place a flock of flamingos in the requested friend's yard. The flock of birds and a 'You've Been Flocked' sign will remain in the friend's yard for a few days unless an Early Removal Service Fee is paid. A notice will be attached explaining the removal policy, how to order the flamingos to be "forwarded", and how to buy flamingo "insurance". Sorry, our birds may not migrate onto public property or at apartment complexes and generally will only be placed within the Carlisle School District. Ask us if you have a location outside the district, however, and we'll see if we can accommodate your request!

How Flamingos Are Removed

The Flamingos will be removed from their "landing site" by a volunteer member of the "Flocking Crew" within a few days of placement. For quicker flock removal, order the Expedited Flock Removal Service and the birds will fly your coop ASAP (order online, call or email us for this option). If you wish to flock someone else and forward the flock to another friend, the order form and information will be left with the flock. Requests can be made by filling out the Flocking Order form, or by calling the Flock-A-Friend Hotline at 515-809-2525. Please make checks payable to "Friends of the Carlisle Library." Attach your check to the Flocking Order Form and place them back in the bag to be picked up with the flamingos. Or mail order form and check to: Friends of the Carlisle Library, PO Box S, Carlisle, IA 50047. You can also leave orders and donations at the Carlisle Public Library. Orders are also accepted online at www.CarlisleLibraryFriends.com

How to Avoid Being Flocked

You may buy anti-flocking insurance during our flocking season. Without insurance, remember, you could be flocked several times! For a \$75 donation you will be protected from any flamingo flockings at your given address for the entire season.

Flocking is done in good spirits and is not meant to be malicious. Also, to make this fundraiser successful, we must have willing participants, so please do not flock someone that will harm our birds, hold them for ransom, or have our "flockers" arrested! We did not budget for legal fees. Our flocking crews are all volunteers donating their time to Friends of the Carlisle Library. All flocking is done by donation. Flock removal does not require payment, but a donation to Friends of the Carlisle Library would always be welcomed. The Flamingos are precious property to us and we want to keep them in our possession so all can enjoy. If you have any questions, call the Flock-A-Friend Hotline at 515-809-2525 or email us at info@CarlisleLibraryFriends.com.

***The Flocking Fundraiser starts July 4 and will have a limited run for only one month.
